RELENTLESS

STUDENT TELEVISION NETWORK NATIONAL CONVENTION

NAT PACKAGE

Teams will produce a feature story solely driven by sound. These should not include reporter track or voiceovers, but rather tell a complete and compelling story using only interviews/soundbites and natural sound. Topics may range from news to features. These stories should feel complete, even without a reporter closing, so they should close with a strong sound bite.

Max TRT: 90 Seconds
Team Size: Up to 4 Students
